

TROCAIRE

Working for a Just World

Official overseas development agency of the Catholic Church in Ireland.

As many of you already know Trocaire are holding a series of commemorative events around the 40th anniversary of the occupation.

We have launched an on-line campaign about the wall. The main headline is **'Walls don't build peace. People do.'**

Below you can see the e-mail sent to our 4000 campaigners asking them to sign up.

Today I am asking you to send an e-mail to your own supporters asking for them to sign up to the petition, which calls for an implementation of the ICJ AO on the wall.

We do very much need your support.

I would appreciate if you could send the e-mail below, or even a link to our site, to each person on your mailing lists.

<http://www.trocaire.org/wall>

It would also help us greatly if you could let us know (a) when you send it out and (b) how many people on the mailing list you sent it to. that way we can monitor responses from different mailing lists to help us to understand what works in our campaigning and what doesn't. We will, of course, be happy to share that information with those of you who would like it for your own campaigning in the future.

I hope that you'll be actively supporting this campaign and look forward to hearing from you all soon.

best,

E'in
