

## AUSTRALIAN FRIENDS OF PALESTINE

National day of action  
5 June 2007

### PERTH VIGIL

Members went to vigil wearing Palestinian dress and the kaffiehs and handed out leaflets explaining the destructive policies and practices of the Occupation.

### FILM NIGHT

The Film Night protesting the 40th Anniversary was attended by about 100 people. The film "The Iron Wall" spoke for itself and dealt with the human side of the problem. Some traditional Palestinian food was served before the film and some interesting discussions followed after. We were encouraged to screen this film again at a different campus in WA.
